- (b) Report immediately all Qualifying Scores, including No Returns, returned away from Rush, advising the Handicap Committee of the time of the Competition, the Venue and the S.S.S. or C.S.S. together with the score returned.
- (c) Where a member playing in a Society Outing equals or breaks the S.S.S. of the course being played, he/she must return the card to the Handicap Secretary.

NOTE: Players are reminded that the failure to report scores returned away from home, including no returns, is likely to result in suspension of the offending player's handicap under the provision of Clause 17 - The Standard Scratch and Handicapping Scheme 1984.

8. Handicap Allowances - Matchplay

In accordance with a recommendation from the Council of National Golf Unions, which has been accepted by the G.U.I., the following Handicap differential will be allowed:
